"My daughter. She's taught me that change is nothing to be afraid of. Watching her grow has inspired me to be the best person I can be, to be her role model."

– Stephanie Flores, team leader, State Farm Insurance (Raton)

"First of all, God. But there are so many here in Trinidad, from my coaches to my mom, my dad, teachers, friends, and neighbors. Trinidad has been a wonderful, wonderful place to grow up. When I was growing up here, we were a community. We helped each other."

– David Duran, Sr., owner, D.D.M.D. Trucking (Trinidad)

"My mom has always been my go-to person. She always has an answer or helps me find an answer to any problem. She's one of the strongest people I know. She doesn't let anything hold her back and she's never let me take the easy way out of any situation."

– Stacey Poe, receptionist, Mesa Vista Veterinary Hospital (Raton)

"Music teachers, and one in particular. Mr. Faulkner in Greeley, Colorado, inspired me to do music more. He helped me a lot. He picked me to be his teacher's aide for a semester."
