

OVER THE PASS

"Mrs. Sauer was my first-grade teacher. It sounds like "sour" but she was very sweet. She taught us a lot about arithmetic with board games that she made herself. It was fun."

– April Kent, NMHU librarian, Las Vegas, NM (Raton)

TRINIDAD-RATON CONNECTIONS

"Who was your best teacher in school?"

By Tim Keller
Correspondent
The Chronicle-News

Photos by Tim Keller / The Chronicle-News

"Kay Benich. It think it was second grade at Park Street School here in Trinidad. She was friendly. She took us places and did things with us even after school."

– Darrell Alishio (Trinidad)

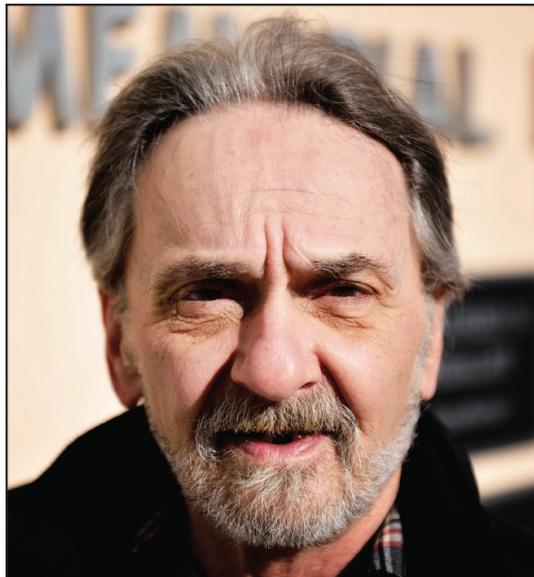

"Mrs. Barbara Bonahoom, my PE teacher at junior high. She was good. Back then we were the Raton Falcons at the middle school. I got a little green and white diploma from ninth grade."

– Margaret Ortiz Martinez, housewife (Raton)

"My eight-grade science teacher, Mr. Burns. He got you excited about science. He had a Tesla coil that shot electricity through the air and got you very excited."

– Matt Trese, ophthalmic researcher, Detroit, MI (Trinidad)

"Mrs. Bainbridge at Fort Leboeuf High School in Waterford, PA, in the early 1960s. She taught art and music. I remember her kindness and caring."

– Jim Kolson, retired driver (Raton)

"Mary Lou Hays was my first-grade teacher, then my music teacher from second grade to sixth, and I also took piano from her. She inspired my love of music. I knew her for 50 years. I still visited her in Garden City, Kansas, until she passed away last year."

– Barbara Stephens, handyman (Trinidad)

SPORTS SCOREBOARD

Find your prep sports scores here, the Sports Scoreboard, is a new regular element in The Chronicle-News. To submit your schools scores email chroniclenewssports@gmail.com

ART EDUCATION

SPACE Gallery to host free landscape workshop

Spanish Peaks Art Gallery
Special to The Chronicle-News

There will be a free workshop at the Spanish Peaks Art Gallery in the Park in La Veta. Ann Gethen will share her award-winning knowledge of landscape painting with members of SPACe. The event will include how to turn a 2D surface into a 3D vision. Gethen will also discuss color, perspective and composition including the Golden Rectangle, Rule of 3, and size and balance.

This workshop is scheduled to be held Saturday afternoon January 24, from 12:30 p.m. to 3:30 p.m. There are ten spots available for this event and you will need to bring notepaper, hard and soft pencils, color pencils or pastels. There will be no final painting but lots of work sheets. If you are not a member of SPACe you can join at the workshop for \$30, if you like.

To register call Ann Gethen at 719-742-3452. While the workshop is free, a donation toward heating the room would be greatly appreciated.
