"You know it! Passionately and without reservation! I have been with my true love for 20 years and 'married' for 14. We'll be celebrating our mutual bliss."

"We go out to eat. I usually get roses for my wife. We've been married five years in June."

- Michael Baudino, frac hand, Pioneer Natural Resources (Trinidad)

"I make the day feel special for the people I care about. I call them or surprise them with things or thoughts or gifts, to be in contact with people that are important to me."

- Tami Rubin, mental health therapist, Tri-County Community Services (Raton)

"I usually get my wife a box of chocolates or maybe some roses. We go out for dinner and enjoy the evening. We've been married 22 years."

- George Krulyac (Raton)

"Yes, usually dinner and movies at home, something simple. The person you spend Valentine's with is what makes it special."

- Mandy Rivas (Trinidad)

"Not any more but I used to. My wife was killed in a car accident in downtown Trinidad in '86. I give my daughter flowers for Valentine's now. She's the only sweetheart I've got."

- Ray Mondragon, retired, NM Dept. of Transportation (Raton)

The Trinidad Community Chorale will begin its rehearsals for its 2015 Spring Season on Saturday, February 14, 2015. Concert dates are yet to be set, but are slated for the middle of May 2015.

The musical line-up will include tunes from Disney movies from every decade. Middle school students may be considered after an interview with the director.
